The compact design of our surface mounted LED fittings means they will blend into most interior project styles. Different lumen packages are used to emphasize architectural styles and visual comfort and energy efficiency are always guaranteed.

Extruded Opal or PMMA diffuser.
Can be wall mounted, surface
mounted or suspended. The
maintenance of the LED luminaires
guarantees maximum efficiency,
saving on resources and running
costs. Precise photometry prevents
wasted "spill light" as a further eco-
friendly factor.
