ANTIDARK

The ANTIDARK collection is characterized by minimalist and timeless Scandinavian design, encompassing a wide range of exquisite lighting solutions. We were established as an independent brand in 2019, but our roots in the lighting industry stretch back over 25 years, showcasing a long history of expertise. At ANTIDARK, we are dedicated to creating lighting solutions that combine stylish design and high quality to enhance the ambiance of your space, whether indoors or outdoors.

Easy Braccio

A photograph of a modern, brightly lit hallway. The ceiling is white and features three circular recessed ceiling lights arranged in a vertical line. The walls are also white, and the floor is a light color. The overall aesthetic is clean and minimalist. The word "Luna" is overlaid in the bottom right corner in a large, white, serif font.

Designline

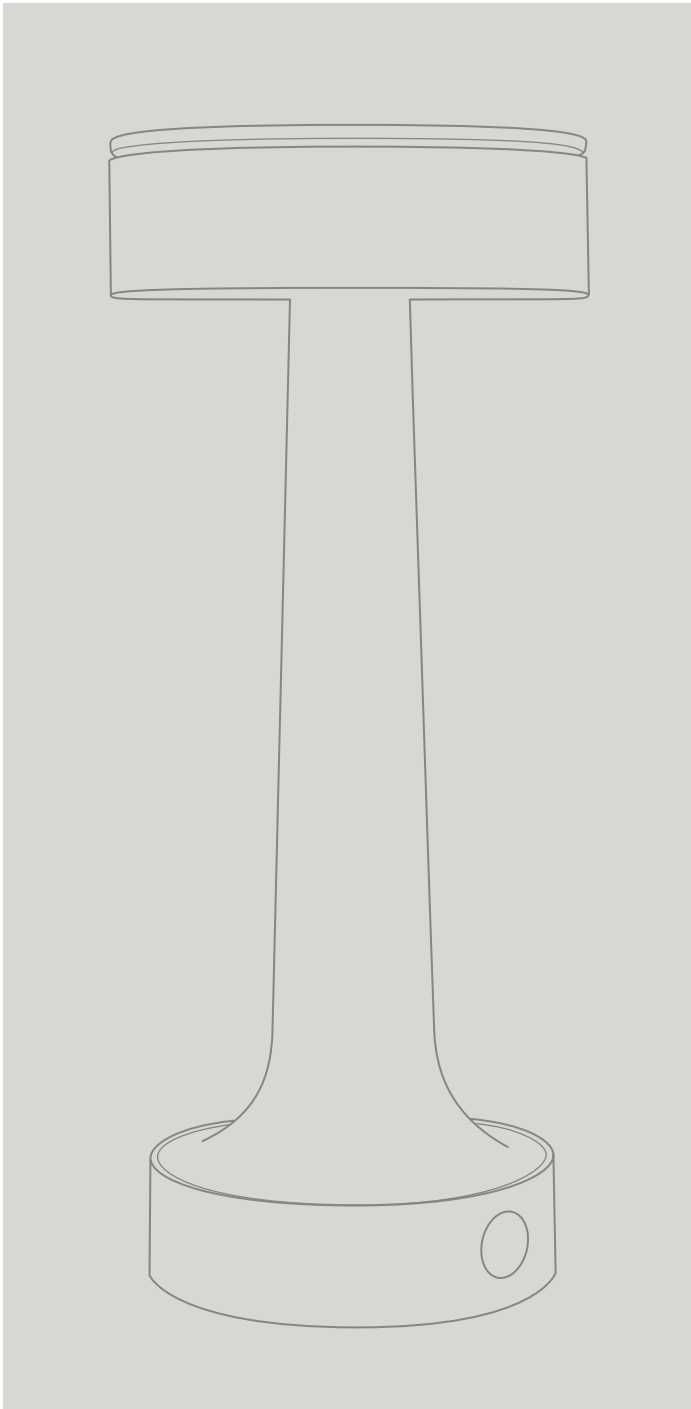

Designline is our popular, flexible track system. The system is offering endless combination possibilities. Mix and match spots, pendants, and tracks to create the ideal layout that perfectly fits the specific design of your room.

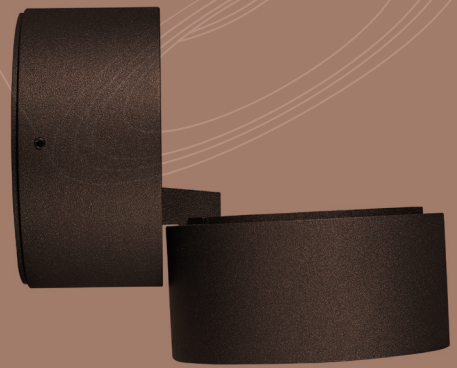

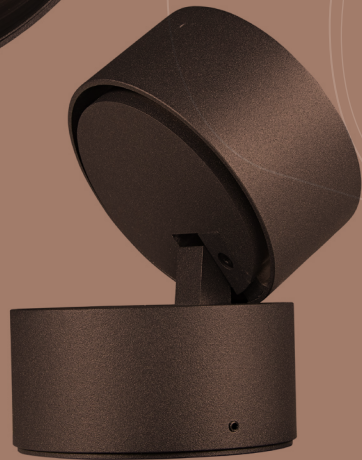

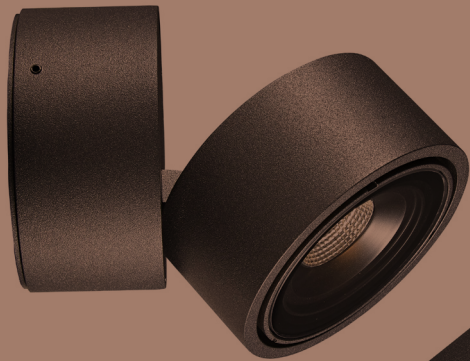

With its minimalist and sleek Scandinavian design, the system easily integrates into any decor, making it a versatile choice for both modern and traditional spaces.
